16 April 1969

MEMORANDUM FOR: Director of Strategic Research, DDI

SUBJECT : R&D News Notes

1. A complete set of past issues of the R&D News Notes is enclosed for your retention. The Technical Services and Support Group, NPIC periodically disseminates this publication in order to create better communication between operational personnel and those engaged in R&D.

2. You will be placed on our dissemination list, and one copy of all future issues will be sent to your office. If you desire more than one copy, please call me on [redacted]
